

Brigid Rose Waldron-Perrine, Ph.D., LCP

Education and Training

Education

09/1997-05/2001	BS	Allegheny College
09/2001-12/2003	MS	Drexel University
09/2005-12/2010	PhD	Wayne State University, Department of Psychology

Pre/Post-Doctoral Training

09/2009 - 08/2010	Internship	John D. Dingell VA Medical Center (APA)
09/2010 – 08/2012	Fellowship	VA Ann Arbor Healthcare System/University of Michigan Department of Psychiatry Consortium (APPCN)

Certification and Licensure

2014 – present	Board Certification in Clinical Neuropsychology (ABCN), American Board of Professional Psychology (ABPP)
2012 – present	Licensed Psychologist, State of Michigan Board of Psychology, License #6301014713

Academic and Clinical Positions

08/2024- present	Sole Proprietor, Waldron Neurorehabilitation Psychology, PLLC
09/2013- present	Independent Practice (Forensic)
09/2019- 08/2024	Clinical Associate Professor, Director of Outpatient Neurorehabilitation, Medical Director, Briarwood Bldg 4/Med Rehab, Department of Physical Medicine and Rehabilitation, University of Michigan
09/2012- 07/2019	Clinical Neuropsychologist, Rehabilitation Institute of Michigan/ Detroit Medical Center, Detroit, MI
04/2013- 12/2021	Clinical Assistant Professor, Research Therapist, Department of Physical Medicine and Rehabilitation, Wayne State University School of Medicine
04/2013- 07/2021	Clinical Assistant Professor, Department of Physical Medicine and Rehabilitation, Wayne State University School of Medicine

Clinical interests

Neuropsychological assessment and psychotherapeutic intervention across diverse neurological and medical rehabilitation populations.

Research interests

Exploration of clinical best practice via scientific exploration of neuropsychological assessment and psychotherapeutic intervention approaches in a rehabilitation context.

Grants

Hanks, R. (PI), Rapport, L. (CO-I), Waldron-Perrine, B. (Study Therapist) & Reslan, S. (Data collector) The Efficacy of a Group Intervention to Develop Resilience in Family Members of Individuals with TBI. National Institute on Disability and Independently Living Rehabilitation Research, Traumatic Brain Injury Model System, Southeastern Michigan Traumatic Brain Injury System

9/30/2017 to 10/1/2022 (\$2,230,000 over 5 years)

Waldron-Perrine, B (PI), Hanks, R (Co-I) and Kratz, A (Co-I)
Positive Psychological Principles and Psychological Flexibility in SCI Craig
H Neilson Foundation for Spinal Cord Injury Research \$300,000
Psychosocial Research Grant December 2015- April 2018

Waldron-Perrine, B (PI)
RIM Foundation \$47,534 December 2014 with 2nd year April 2016 and 3rd April 2017
TBI/SCI database development and maintenance, Rehabilitation Institute of Michigan

Honors and Awards

- Gerald Rosenbaum Endowed Graduate Training Scholarship in Clinical Psychology, Dept. of Psychology, Wayne State University, 2010
- Summer dissertation fellowship, Summer 2009, WSU graduate school
- Scholarship awarded by the Sir John Templeton Foundation for attendance at The Duke Center for Spirituality, Theology and Health: 2008 Summer Research Workshop of Spirituality and Health, August 2008, Duke University School of Medicine
- Teahan Award for “exceptional personal drive in the development of clinical skills and advancement in the training program”, Dept. of Psychology, Wayne State University 2008
- Graduate Professional Scholarship Wayne State University 2006-2007, 2007-2008
Dean’s Achievement Award Allegheny College 1997-2001
- Alden Scholar, Allegheny College Distinguished Alden Scholar, Allegheny College
Doanne Scholar, Allegheny College
- Herbert Klions Faculty Prize for an outstanding paper in Psychology and for significant contribution to the Psychology department, Allegheny College, Spring 2001
- Secretary of Allegheny College Psi Chi Honor Society Chapter Fall 2000-Spring 2001
Recipient of Howard Hughes Medical Institute Summer Research Grant, Summer 2000
- Sigma Xi Scientific Research Society, Spring 2011
- Phi Beta Kappa Honor Society, Spring 2001

Memberships in Professional Societies

2015-present Michigan Psychological Association
 2015-2024t International Neuropsychological Society
 2015-present American Academy of Clinical Neuropsychology (AACN)
 2015-2024 American Psychological Association (APA)
 APA Division Memberships:
 Division 40: Society for Clinical Neuropsychology
 Division 22: Society for Rehabilitation Psychology-ongoing
 2018-present Association for Contextual and Behavioral Sciences (*ACBS*)

Editorial Positions, Boards and Peer Review Service

Peer Review Service Ad-hoc Manuscript Reviews

2013 Heart Failure Reviews
 2012 Aging, Neuropsychology and Cognition
 2013 to present Archives of Clinical Neuropsychology
 2014 to present The Clinical Neuropsychologist
 2013 to present Military Medicine
 2012 to present Applied Neuropsychology: Adult
 2012 to present Rehabilitation Psychology
 2014 to present Brain Injury (including April '20, March '21, March '22, Jan'25)
 August 2019, August 2023 Journal of Clinical Psychology in Medical Settings
 August 2019 Neuropsychology Review
 March 2021 Neurobiology of Aging
 August 2023 Neurocase

Teaching

Winter 2025 Adjunct Professor, University of Detroit Mercy, Human Neuropsychology to PhD students

2012 -2019 Clinical Lecturer for Medical Resident training, Wayne State University School of Medicine Departments of PM&R and Neurology

- Differential Diagnosis of Dementia. Department of Neurology, Residency Training Program, Wayne State University School of Medicine, Detroit, MI. March 2014; Department of Physical Medicine and Rehabilitation Residency Training Program, Wayne State University School of Medicine, Detroit, MI. January 2015 and January 2016 and February 2018

2012- present Supervisor and presenter, APPCN postdoctoral training programs in Neuropsychology

Didactic presentations to neuropsychology practicum students and residents (*University of Michigan, Rehabilitation Institute of*

Michigan, Beaumont Hospital, Johns Hopkins University):
 Neuropsychological assessment of visuospatial functioning
 Winter 2014, Fall 2015, Fall 2017
 Neuropsychological assessment of memory functioning
 Winter 2014, Fall 2015, Fall 2017, Oct 2020, Oct 2022
 Practical applications of the ethics code
 Spring 2013, Spring 2015, Spring 2017, Spring 2019
 Premorbid influences on outcome from TBI
 Fall 2016, Fall 2018, Oct 2020, March 2021, Sept
 2022, April 2023, November 2024
 Religion and spirituality in rehabilitation
 Fall 2014, Fall 2016, Fall 2018, Nov 2020, Nov 2022, September 2024
 Contextualized memory rehabilitation and compensatory strategy training
 Spring 2013, Winter 2015, Winter 2017, Winter 2019, March 2021, April 2023, April
 2024, March 2025
 Neuropsychology with African Americans
 Spring 2013, Spring 2015, Spring 2017, Summer 2019
 Therapeutic neuropsychological assessment
 Spring 2017, Winter 2019, Winter 2020, October 2020, December 2020, December
 2021, December 2022, December 2023, January 2025
 Differential Diagnosis of Dementia through a Rehab Lens
 January 2020, January 2022, October 2023

2005-2008 Lecturer, Wayne State University Department of Psychology, Introduction to
 Psychology, Abnormal Psychology and Brain and Behavior
 2012-present Biennial Guest Lecturer, Wayne State University, Psychology Graduate
 Program, Advanced Assessment Practicum, Lisa Rapport, PhD, Therapeutic
 Assessment

Dissertation Committees:

Monica De Iorio Wayne State University, Department of Psychology 2020
 Jonathon Sobel Wayne State University, Department of Psychology 2021
 Ciaran Considine University of Windsor, Department of Psychology 2017
 Jeremy Grant Wayne State University, Department of Psychology 2021

Master's Thesis Committees:

Jeremy Grant Wayne State University, Department of Psychology 2019

Institutional activities and roles:

- ACTing towards resilience in neurorehabilitation. Presentation at James W. Rae
 Scientific and Lecture University of Michigan Physical Medicine and Rehabilitation
 Departmental Annual event, Sept 8, 2023.
- Managing the spotlight: Neurological rehabilitation through an ACT lens. Presentation
 to clinicians and staff of Med Rehab/U of M, April 6, 2020.
- Neuropsychology? What physicians need to know about the utility of a
 neuropsychological consult. John D. Dingell VA Medical Center, Detroit, MI.

Lecture to medical students and residents presented monthly September 2009-August 2010. Medical resident presentation WSU SOM PM&R 2016-2018 (as requested for individual residents).

- Putting assessment and therapy together: Models for integration. Presentation to the Assessment Practicum class of the Clinical Psychology Graduate training program at Wayne State University, Department of Psychology (instructor Lisa Rapport). Dec 7, 2016, Oct 11, 2017, Oct 24, 2018, Oct 30, 2019, Oct 14, 2020
- Neuropsychology of Epilepsy. Presentation to the electrophysiology fellows in the Department of Neurology, Wayne State University School of Medicine/ Detroit Medical Center. May 15, 2017.

Committee and Administrative Services

National Committee Service

June 2021- present	Practice Sample Reviewer, American Board of Clinical Neuropsychology
Feb 2015 – Jan 2024	The Joint Committee on Interprofessional Relations Between the American Speech-Language-Hearing Association (ASHA) and the Society of Clinical Neuropsychology of the American Psychological Association (APA); Co-chair 2018-2023
January 2018- present	AACN Board Certification Promotion Committee; presentations to local PhD neuropsychology training programs to promote board certification
September 2017- present	Practice Committee of Division 22 of APA: Rehabilitation Psychology (Aug 2024-Aug 2025 chair)
May 2018/2019/2020/2023	Peer reviewer for Department of Veteran's Affairs Brain Injury Center (DVBIC) Congressionally Directed Medical Research Program (CDMRP) grant mechanism
September 2019 – 2021	American Speech-Language-Hearing Association (ASHA) National Center for Evidence-based Practice in Communication Disorders (N-CEP) committee on development of an Evidence-based Clinical Practice Guideline on cognitive rehabilitation for adults with acquired brain injuries (ABI)

Visiting Professorships and Extramural Invited Presentations

Regional:

1. Helping patients get a grip on their own conscious experience: Assessment and

- treatment of a mixed diagnosis case on the schizophrenia spectrum. Wayne State University, Psychiatry Department Chairman's Grand Rounds, September 7th, 2011.
2. The influence of religion and spirituality on rehabilitation outcomes among individuals with traumatic brain injury. University of Michigan, Physical Medicine and Rehabilitation Grand Rounds, October 13th, 2011.
 3. Neuropsychology in a VA polytrauma/mTBI clinic. Brain Injury Association of Michigan, Veteran's Summit and General Meeting, Lansing, MI, September 21- 22, 2011.
 4. What is brain injury? VA Ann Arbor Healthcare System, Ann Arbor, MI. Buddy to Buddy Volunteer Veteran Program monthly meeting. January and August 2012.
 5. TBI: The Neuropsychological Perspective of Injury and Recovery. VA Ann Arbor Healthcare System, Ann Arbor, MI. Geriatric Research, Education and Clinical Center Interdisciplinary Conference Series. April 2012.
 6. The Influence of Pre-morbid Factors on Rehabilitation Outcome in Traumatic Brain Injury. Brain Injury Association of Michigan, Veteran's Summit and General Meeting, Lansing, MI, September 26-27, 2013.
 7. The neuropsychologist wears many hats: Integration of therapeutic technique into the clinical neuropsychological setting. Oral presentation at the Midwest Neuropsychology Group Annual Conference, April 21 2017, Ohio State University, Columbus, OH.
 8. Managing the spotlight in concussion recovery. Patient and Provider Perspective (with Post, R). Oral presentation at the November meeting of the Michigan Brain Injury Providers Council, November 13, 2018, Livonia, MI.
 9. Acceptance and Commitment Therapy: Living your best life with serious mental illness and/or neurological injury. Oral presentation at the August meeting of the National Alliance for Mental Illness Detroit Chapter, August 27, 2019, Providence Hospital, Southfield, MI.
 10. Invited Address: Managing the spotlight in concussion recovery. Oral presentation at Origami Rehabilitation, October 2021
 11. Invited Address: ACT for resilience in aging with Cerebral Palsy. Oral presentation to the Michigan United Cerebral Palsy Foundation, Aging with CP series, August 2023.
 12. Invited Address: ACT for Neurorehabilitation, Oral presentation (Zoom) to SINR Neuropsychological Rehabilitation Lecture Series through Cleveland Clinic, August 2023.

National presentations:

1. The influence of religion and spirituality on rehabilitation outcomes among individuals with traumatic brain injury. Symposium on Empirically Supported Approaches to Community Reintegration in Minority Populations. Federal Interagency Conference on Traumatic Brain Injury, Washington, D.C., June 13-15, 2011.

2. Waldron-Perrine, B, Mudar, R., Ashman, T., Mashima, P. & Paul, D. Beyond Silos in Cognitive Rehabilitation: Integration of interprofessional collaboration, health literacy, and technology. Oral symposium presentation at the American Congress of Rehabilitation Medicine Annual Meeting Nov 4 2016, Chicago, IL.
3. Waldron-Perrine, B, Mudar, R., Ashman, T., Mashima, P. & Paul, D. Beyond Silos in Cognitive Rehabilitation: Integration of interprofessional collaboration, health literacy, and technology. Oral presentation at the American Speech-Language Hearing Association Annual Conference November 18 2016, Philadelphia, PA.
4. Waldron-Perrine, B. Forensic Grand Rounds: Case Presentation. Oral presentation at the annual meeting of the American Academy of Clinical Neuropsychology, June 8 2017, Boston, MA.
5. Seagly, K., Milman, L. Mashima, P., Ashman, T., Waldron-Perrine, B., Paul, D. & Muhar, R. A person-centered approach to mTBI treatment: An Interprofessional Perspective. Oral presentation at the annual meeting of the American Academy of Clinical Neuropsychology, November 16 2018, Boston, MA.
7. Waldron-Perrine, B., Kratz, A. & Kisser, J. Acceptance & Commitment Therapy (ACT) in persons with spinal cord injury: Factors underlying ACT & associations between ACT processes and biopsychosocial functioning. Oral presentation at the 21st annual meeting of Rehabilitation Psychology, February 7-10, 2019, Orlando, FL.
8. Moderator of paper presentation session, Assessment, International Neuropsychological Society Annual Conference, February 23, 2019
9. Milman, L, Seagly, K., Paul, D., Mashima, P. Waldron-Perrine, B., Mudar, R. & Ashman, T. Interprofessional Collaboration: Overcoming Barriers to Successful Reintegration for Working-Age Adults with Acquired Brain Injury (ABI) Oral presentation at the American Speech-Language Hearing Association Annual Conference November 20 2019, San Diego, CA.
10. Seagly, K., Mashima, P., Ashman, T., Paul, D. Milman, L. & Waldron-Perrine, B. Promoting Patient Self-Advocacy via Interprofessional Collaboration for Working-Age Adults with Acquired Brain Injury (ABI): A seminar by the Joint Committee on Interprofessional Relations between the APA and the American Speech-Language-Hearing Association (ASHA) Oral presentation at the 22nd annual meeting of Rehabilitation Psychology, February 22, 2020, San Diego, CA.
11. Pena, K. Waldron-Perrine, B., Arnold, M., & Sanchez, V. Collaboration among audiologists, psychologists and speech -language pathologists treating patients with cognitive impairment and hearing loss. Oral presentation at the American Speech-Language Hearing Association Annual Conference November 15 2021.
12. Bowen, R., Brown, J., Frymark, T., Mattingly, E., Miller, E.S., Mitchell, G., Picon, L., Mello, C.R., Waldron-Perrine, B. and Wolf, T. (2021). ASHA's Evidence-based Clinical Practice Guideline on Cognitive Rehabilitation in Individuals with Acquired Brain Injury. Oral presentation at the American Congress of Rehabilitation Medicine Annual Meeting, 2021.
13. Stucky, K. J., Baker, L. N., Rush, B. K., Waldron-Perrine, B., Dean, P. M., Tlustos, S. J., & Barisa, M. (2022). Training in neurorehabilitation psychology: Defining

competencies, requisite skill sets, and a proposed developmental pathway. Oral presentation at the APA Convention, Minneapolis, August 2022.

14. Baker, L., Waldron-Perrine, B., Karol, R., Barissa, M., Stern, G and Sweatman, M. (2025). Advocating For Our Future: Feedback from the 2024 Rehabilitation Psychology State of the Field Survey. Presented at APA Division 22 Rehabilitation Psychology Annual Conference, February 20, 2025, Louisville, Kentucky.

Conference Poster Presentations

- 1) Waldron, B. & Clark, R. (May, 2001). The effects of pre-exposure to toluene on the acquisition of cocaine self-administration and performance on a progressive ratio schedule of reinforcement. Presented at the annual meeting of the Association for Behavioral Analysis, New Orleans, LA.
- 2) Tracy, J., Stoddard, E., Goyle, N., Waldron, B. (June, 2003). Brain activation

- change associated with the development of expertise on a categorization task, Organization of Human Brain Mapping, New York, NY.
- 3) Waldron, B. Rapport, L.J., Ryan, K.A., Telmet Harper, K., Fuerst, D. (August, 2007). Predictors of Life-Satisfaction in Caregivers of Persons with MS. Presented at the annual meeting of the American Psychological Association, San Francisco, CA.
 - 4) Harper, K., Rapport, L.J., Ryan, K.A., Waldron, B., Fuerst, D., Whitman, R.D., Hanks, R.A. (August, 2008). Predictors of Community Integration Among Individuals with Multiple Sclerosis. Presented at the annual meeting of the American Psychological Association, Boston, MA.
 - 5) Hubbarth, P., Rapport, L.J., Waldron-Perrine, B. & Meachen, S. (August, 2010). Cortisol stress reactivity and spiritual well-being after brain injury. Presented at the annual meeting of the American Psychological Association, San Diego, CA.
 - 6) Waldron-Perrine, B., Van Dyke, S. & Axelrod, B. (May, 2010). Construct and content validity of the Montreal Cognitive Assessment demonstrated in a veteran population. Presented at the annual meeting of the Midwest Neuropsychology Group, Ann Arbor, MI.
 - 7) Boxley, L., Waldron-Perrine, B., Alberty, J., Pangilinan, P.H., & Bieliauskas, L. A. (December, 2011). Differences in neuropsychological performance and symptom presentation based on clinician symptom attribution. Presented at the 4th annual Trauma Spectrum Conference, NIH, Bethesda, MD.
 - 8) Van De Kreeke, D., Waldron-Perrine, B., Hanks, R.A., Rapport, L.J. (2014, February). Religious wellbeing and social support and their relationship with emotional and physical outcomes after traumatic brain injury. Poster presented at the 16th annual Rehabilitation Psychology Conference, San Antonio, TX.
 - 9) McLaughlan, J. K., Vos, L., Waldron-Perrine, B., & Sherman, T. E. (2015, February). The Impact of Estimated Intelligence, Age, and Health Variables on Cognitive Log Performance in a Non Brain-Injured Rehabilitation Setting. Poster presented at the 17th Annual Rehabilitation Psychology Conference, San Diego, CA.
 - 10) Vos, L., McLaughlan, J. K., Waldron-Perrine, B., & Sherman, T. E. (2015, February). Use of the Cognitive-Log in a Non Brain-Injured Inpatient Rehabilitation Setting. Poster presented at the 17th Annual Rehabilitation Psychology Conference, San Diego, CA.
 - 11) Waldron-Perrine, B., Hanks, R., & Kratz, A. (2018, April). Resilience and Psychological Flexibility in Persons with SCI: Malleable traits? Poster presented at the 39th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, April 11-April 14, 2018, New Orleans, Louisiana.
 - 12) Allaire, T., Millis, S., Kratz, A., Hanks, R. & Waldron-Perrine, B. (2019, February). Confirmatory examination of the psychometric properties of the SCI- QOL-A (Anxiety) and SCI-QOL-D (Depression) Short Forms in the context of adult SCI. Poster presented at the 21st Annual Rehabilitation Psychology Conference, February 7-10, 2019, Orlando, FL.
 - 13) Grant, J., Rapport, L., Darling, R., Waldron-Perrine, B. & Bernitsas, E. (2019, February). Existential well-being predicts health outcomes in multiple sclerosis. Poster presented at the 47th Annual International Neuropsychological Society Conference February 20-23, 2019, New York, New York.
 - 14) Allaire, T., Millis, S., Kratz, A., Hanks, R. & Waldron-Perrine, B. (2019, February).

Confirmatory examination of the psychometric properties of the SCI-QOL-A (Anxiety) and SCI-QOL-D (Depression) Short Forms in the context of adult SCI. Poster presented at the 21st Annual Rehabilitation Psychology Conference, February 7-10, 2019, Orlando, FL.

- 15) Grant, J.G., Rapport, L.J., Bernitsas, E., Waldron-Perrine, B., & Darling, R. (2020, February). Desert Island Battery to Screen for Cognitive Impairment in Multiple Sclerosis. Presented at the 48th Annual Meeting of the International Neuropsychological Society, Denver, CO.
- 16) De Iorio, M.L., Rapport, L.J., Davis, K., Hanks, R.A., Lumley, M.A., & Waldron-Perrine, B. (2020, February). I know how you feel: Perspective-taking difficulty following traumatic brain injury. Presented at the 48th Annual Meeting of the International Neuropsychological Society, Denver, CO.
- 17) Seagly, K., Mashima, P., Ashman, T., Paul, D. Milman, L. & Waldron-Perrine, B. (2020, February). Promoting Patient Self-Advocacy via Interprofessional Collaboration for Working-Age Adults with Acquired Brain Injury (ABI): A seminar by the Joint Committee on Interprofessional Relations between the APA and the American Speech-Language-Hearing Association (ASHA) Oral presentation at the 22nd annual meeting of Rehabilitation Psychology, San Diego, CA.
- 18) Martin, B.J., Sober, J. D., Millis, S., Hanks, R., Reslan, S. & Waldron-Perrine, B. (2021, February). CVLT-3 Response Bias as an Indicator of Engagement in a Litigating mTBI population. Presented at the 48th Annual Meeting of the International Neuropsychological Society, Denver, CO.
- 19) Hanks, R.A., Teague, C., Rapport, L.J., Waldron-Perrine, B., Reslan, S., Mills, S., and Simpson, G. (2024, February). Strength 2 Strength: Building and Maintaining Social Support Amongst Care Partners of Persons with Traumatic Brain Injury. Poster presented at the 2024 Rehabilitation Psychology Conference, Austin, TX.
- 20) Kuzu, D. Whibley, D, Waldron-Perrine, B., Pickup, K. & Kratz, A. (2024, February). Acceptance and Commitment Therapy for Chronic Pain in SCI: Development and Testing of an eHealth Program. Poster presented at the 2024 Rehabilitation Psychology Conference, Austin, TX.
