KNOWLEDGE, SKILLS, AND ABILITIES:

- Statistical Data Analysis
- Executive Coaching/Advisement
- Executive-level Communication
- Health Policy and regulations
- Neuropsychological Assessment
- Personnel & Program Management
- Process Analysis/Reengineering
- Strategic-level Thinking/Planning
- Written & Oral Communication
- Research Analysis

ACADEMIC & CLINICAL EDUCATION:

- 2017 - 2019 **Postdoctoral Fellowship in Clinical Neuropsychology - APA Accredited/APPCN Member**
San Antonio Uniformed Services Health Education Consortium, Brooke Army Medical Center, Fort Sam Houston, Texas, Department of Behavioral Medicine
Training Director: Robert A. Seegmiller, Ph.D., ABPP-CN
- 2011 - 2014 **Doctor of Philosophy in Psychology, Clinical Psychology Program - APA Accredited**
University of Nevada, Las Vegas (Las Vegas, NV)
Dissertation: Impaired theory of mind in psychotic and affective disorders
Training Director: Christopher A. Kearney, Ph.D.
Research Advisor: Daniel N. Allen, Ph.D.
- 2013 - 2014 **Pre-doctoral Internship in Clinical Psychology**
Wright-Patterson Medical Center, Wright-Patterson AFB (Dayton, OH) - **APA Accredited**
Training Director: Lt Col Kirk L. Rowe, Ph.D., ABPP-CN
- 2009 - 2011 **Master of Arts in Psychology, Clinical Psychology Program - APA Accredited**
University of Nevada, Las Vegas (Las Vegas, NV)
Thesis: Executive function profiles in pediatric traumatic brain injury
Training Director: Christopher A. Kearney, Ph.D.
Research Advisor: Daniel N. Allen, Ph.D.
- 2009 **Bachelor of Arts in Psychology**
University of Nevada, Las Vegas (Las Vegas, NV)

LICENSURE & CERTIFICATION:

- 2022 **Board Certified** – American Board of Professional Psychology - Clinical Neuropsychology
Diploma Number: 9607
- 2015 **Licensed Psychologist: #PSY.0004321**
State of Colorado: Active, Expiration: 31 August 2025
National Provider Identification: #1841507654

OCCUPATIONAL HISTORY & RESPONSIBILITIES:

6/2023 - 8/2023 **Active-Duty service member on Terminal Leave (Date of Separation: 01 Aug 2023)**

Honorable Discharge; DD-214 available upon request.

8/2021 - 6/2023 **Flight Commander, Joint Inpatient Mental Health Unit** (multiple stratifications)

60th Medical Group (David Grant USAF Medical Center) Travis AFB, CA

- Oversees all activity and clinical services of 36 staff on 8-bed inpatient mental health unit.
- Steers execution of healthcare/\$24M inpatient platform for 276K eligible VA & DoD beneficiaries.
- Implements Hospital's strategic plans/directs \$1.8M service contracts/admins \$1.5M equipment.
- Liaises with VA Norther California Healthcare System Executive team to max unit's strategic plan.

2019 - 6/2023 **Chief of Neuropsychology** (multiple stratifications)

60th Medical Group (David Grant USAF Medical Center) Travis AFB, CA

- Oversees all administrative and clinical activity within the *Neuropsychology Consultative & Assessment Service*: purchasing, training, scheduling, assessment, documentation, and peer review.
- Manages Automated Neuropsychological Assessment Metrics (v4) for all deployers/re-deployers.
- Referrals predominately come from inpatient medical services, as well as outpatient: Neurology, Internal Med, Family Health, Concussion Clinic, Oncology, Flight Med, and the MEB/TDRL office.
- Ensures timely Access to Care for Active Duty, Dependents, Retirees, and Dependents or Retirees.
- Educates hospital staff and residents on VA/DoD Clinical Practice Guidelines and Traumatic Brain Injury Center of Excellence initiatives related to assessment & mgmt. of head injury.

2020 – 8/2021 **Mental Health Officer in Charge (OIC)** (multiple stratifications)

60th Medical Group (David Grant USAF Medical Center) Travis AFB, CA

- Oversaw clinical operations & clinical practices of 32 mental health personnel.

2017 - 2019 **Post-doctoral fellow in Clinical Neuropsychology**

Brooke Army Medical Center, Joint Base San Antonio (JBSA) Fort Sam Houston, TX

San Antonio Uniformed Services Health Education Consortium (SAUSHEC) at Brooke Army Medical Center, JBSA-Fort Sam Houston, Texas

2017 **Interim Flight Commander**

359th Medical Group, JBSA-Randolph, TX

- Other more permanent positions included: Mental Health OIC, Director of Psychological Health, and Alcohol and Drug Abuse Prevention and Treatment (ADAPT) Program Manager
- Oversaw clinical operations & clinical practices of 21 mental health personnel.

2016 **Mental Health OIC**

359th Medical Group, JBSA-Randolph, TX

- Other positions included: Deputy Director of Psychological Health and ADAPT Program Manager
359th Mental Health Flight at JBSA-Randolph.
- Oversaw clinic-related operations, supervision and administration, outreach, and treatment

2015 **ADAPT Program Manager**

359th Medical Group, JBSA-Randolph, TX

- Oversaw all ADAPT services offered at JBSA-Randolph

2014 **Family Advocacy Officer**

359th Medical Group, JBSA-Randolph, TX

- Oversaw all Family Advocacy activities at JBSA-Randolph

E. Ringdahl

2013 ***Pre-doctoral Resident in Clinical Psychology (Full-time)*** (stratified #1/7 residents)
88th Medical Group, Wright-Patterson Medical Center, OH

2011 – 2013 ***Health Professions Scholarship Program (HPSP) Student***

POST-DOCTORAL TRAINING IN CLINICAL NEUROPSYCHOLOGY:

2017 - 2019 **San Antonio Uniformed Services Health Education Consortium**

Brooke Army Medical Center, Fort Sam Houston, TX

Training Director: Robert A. Seegmiller, Ph.D., ABPP-CN

Responsibilities: Developed advanced knowledge of brain-behavior relationships, with a focus on foundational competencies and neuropsychology-specific functional competencies. The SAUSHEC fellowship specializes in applications of neuropsychology in a military population. The SAUSHEC fellowship followed a scientist-practitioner model of training, which included supervised clinical practice, didactic seminars, case conference, grand rounds, workshops, and national conferences.

POST-DOCTORAL SUPERVISION FOR LICENSURE REQUIREMENTS:

2014 - 2015 **Mental Health Clinic, 359th Medical Group, JBSA-Randolph, TX**

Clinical Supervisor: Sheri Kennedy, Ph.D. (supervised 1,500 hours of clinical practice)

Responsibilities: Evidence-based psychotherapy to active duty members and TRICARE beneficiaries.

Supervision: Weekly individual supervision (60min) and weekly group supervision (60min)

PRE-DOCTORAL CLINICAL TRAINING:

88th Medical Group, Wright-Patterson Medical Center

Aug 2013 - Aug 2014; Dayton, OH

Training Director: Lt Col Kirk Rowe, Ph.D., ABPP-CN

Responsibilities: Generalist program focused on evidence-based healthcare delivery in the military. Training augmented by experiences at the Center for Deployment Psychology, as well as in healthcare administration, outpatient mental health, family advocacy, Alcohol and Drug Abuse Prevention and Treatment, grand rounds, weekly didactics.

Rotations: Outpatient Mental Health (6mo), Clinical Health Psychology (4mo), Neuropsychology (2mo).

Supervision: Weekly individual supervision with a developmental approach

VA Southern Nevada Healthcare System

Aug 2011 - Jun 2013; Las Vegas, NV

Supervisor: Robert Mirabella, Ph.D.

Doctoral Practicum Student: Evidence-based psychotherapy for posttraumatic stress disorder (PTSD).

Responsibilities: Conducted Cognitive Processing Therapy (CPT) and Prolonged Exposure (PE) therapy; attend weekly group supervision from regional CPT trainer; attend monthly national case conference calls for PE; attended national conference calls for Cognitive Behavioral Therapy for Insomnia.

Supervision: Weekly individual supervision taking a developmental and ‘training to mastery’ approach, which included in vivo co-facilitation of therapy session, case discussion, and audiotape review.

VA Southern Nevada Healthcare System

Jan 2012 - Jun 2013; Las Vegas, NV

Supervisor: Carl Williams, Ph.D.

Doctoral Practicum Student: Evidence-based psychotherapy for substance abuse: Rotations included training in Cognitive Behavioral Therapy for depression, group CPT, Motivational Interviewing, Integrated Cognitive Behavioral Therapy for comorbid depression and substance use disorders.

Responsibilities: Championed individual and group sessions; co-lead CPT group.

Supervision: Weekly individual supervision with a developmental approach.

VA Southern Nevada Healthcare System

Jun 2011 - Jan 2012; Las Vegas, NV

Supervisor: Carl Williams, Ph.D.

Doctoral Practicum Student: EBP for Mental Health Intensive Case Management (MHICM).

Responsibilities: Conducted Cognitive behavioral therapy for depressed veterans, Motivational Interviewing, coded Motivational Interviewing tapes for fidelity, and structured psychodiagnostic assessment.
Supervision: Weekly individual supervision with a developmental approach.

Lewis M. Etcoff, Ph.D. & Associates

Mar 2011 - Jun 2012; Las Vegas, NV

Supervisor: Lewis M. Etcoff, Ph.D.

Doctoral Practicum Student: Clinical and forensic neuropsychological and psychodiagnostic assessment in an outpatient setting. Clinical cases seen were predominantly children and adolescents referred by schools, pediatricians, parents, and therapists. Forensic cases were civil in nature and consisted of adults referred by the Defense for a one- or two-day psychological or neuropsychological evaluation, respectively.

Responsibilities: Assisted in all aspects of comprehensive assessment including clinical interviews, testing, scoring, interpretation, and writing/dictation. Forensic duties involved reviewing forensic records, observing clinical interview, administering and scoring neuropsychological tests, interpretation, report writing/dictation, attorney consultation with supervisor, court appearance to observe supervisor testifying as an expert witness.

Supervision: At least weekly case conceptualization and skill development, as well as in vivo co-assessment.

Center for Individual, Couple, and Family Counseling

Aug 2010 - Aug 2011; Las Vegas, NV

Supervisor: Paula Emke-Francis, Ph.D.

Doctoral Practicum Student: Provided long-term individual therapy low-income community residents.

Supervision: Weekly individual and weekly small-group meetings for case discussion and videotape review.

Psychological Assessment and Testing Clinic

Sep 2009 - Sep 2010; Las Vegas, NV

Supervisor: Michelle Paul, Ph.D.

Doctoral Practicum Student: Conducted patient interview, neuropsychological and psychodiagnostic assessment, report writing, and patient feedback to adults presenting with learning and psychiatric disorders.

Supervision: Weekly in vivo co-assessment (early on), supervisor-student case consultation and conceptualization, and feedback on written report.

RELATED CLINICAL EXPERIENCE:

Spring Mountain Treatment Center

Jan 2009 - Aug 2009 (1402 hours); Las Vegas, NV

Mental Health Technician: Inpatient mental health service to adults and adolescents.

Assisted in patient assessment, monitored and documented patients' behavior, facilitated patient intake and discharge, and maximized patient safety. Assisted educational groups for life skills, anxiety, depression, grief, and anger management.

REFEREED ABSTRACTS / PRESENTATIONS:
