

Patrick Armistead-Jehle, PhD, ABPP-CN

Defense Health Agency

Munson Army Health Center
550 Pope Ave.
Fort Leavenworth, KS 66027
Patrick.j.armistead-jehle.civ@health.mil

Private Practice

KC Neuropsychology Associates, LLC
Olathe, KS
(808) 230-3285
KCNeuropsych@gmail.com

Education and Honors

- Ph.D.** Clinical Psychology, Virginia Commonwealth University, 2004
- Doctoral Dissertation: The Quality of Patient Care in the Treatment of Dysthymia within a Managed Care Environment
 - Dissertation Chair: James P. McCullough, Ph.D.
 - Internship: APA Accredited Internship at Tripler Army Medical Center, 2003-2004
- M.S.** Clinical Psychology, Virginia Commonwealth University, 2001
- Master's Thesis: The Effects of Managed Care on the Treatment of Chronic Depression
 - Thesis Chair: James P. McCullough, Ph.D.
- B.S.** Psychology and Human Development Major, University of Wisconsin-Green Bay, 1999
- Summa Cum Laude
 - University Wisconsin-Green Bay Chancellor's Leadership Medallion

Board Certification

**American Board of
Professional Psychology**
November 2012- Present

Clinical Neuropsychology – Diploma number - 7269

Professional Licensure

Licensed Psychologist
June 2013 – Present

State of Kansas – License Number 2139

July 2006 – Present (inactive)

State of Hawaii – License Number 949

Feb 2025 – Present

PSYPACT – Mobility Number 20984

Professional Experience

**Munson Army Health Center
Fort Leavenworth, KS**
May 2009-Present

Ft. Leavenworth, KS. DHA (GS-14)
Planned, designed and operated TBI program at Army Health Center, with supervisor responsibilities for clinic's professional and paraprofessional staff. Currently conducts adult neuropsychological assessments for a wide range of neuropathology. Provides tele-health neuropsychology support for several other enterprise facilities. Engages in clinical research on a part time basis. Core faculty in Brooke Army Medical Center Neuropsychology Fellowship.
July 2014 to March 2015 served as Interim Installation Director of Psychological Health/Chief of Behavioral Health with administrative supervision of several dozen support and clinical staff.

**KC Neuropsychological
Associates, LLC**
November 2023 – Present

Olathe, KS. Owner of LLC providing neuropsychological and psychological consulting services for various forensic and clinical applications.

**Pacific Island Health Care System
Department of Veterans Affairs**
July 2007-May 2009

Honolulu, HI. Dept Veterans Affairs (GS-13) employee with dual service responsibilities in neuropsychology and psychiatric evaluation and triage. Focus of position on neuropsychological and psychological assessment. Additional responsibilities in supervision of practicum students on neuropsychology and triage rotations and completion of neuropsychological and mental health C&P evaluations.

**HealthCare Resolutions Services
Inc.**
February 2007 – July 2007

Naval Health Clinic Hawaii, Kaneohe Bay Marine Corps Base. Employed as contracted psychologist to provide psychological assessment and treatment to Marines and Sailors in deployment health clinic. Additional responsibilities at Pearl Harbor mental health clinic as staff psychologist and supervision of practicum students.

**Parkinson's Disease Research,
Education, and Clinical Center**
October 2006 – January 2007

McGuire VA Medical Center, Richmond VA.
Employed as a part time clinical and research psychologist. Duties include consultation in research design, grant writing, and statistical analysis of on-going empirical projects. Additional clinical involvement in conducting neuropsychological evaluations with veterans diagnosed with Parkinsonian disorders.

**United States Disciplinary
Barracks, FT. Leavenworth**
June 2006-September 2006
September 2004 – January 2005

Fort Leavenworth, KS. Active Duty staff psychologist with responsibilities in psychological assessment, individual and group psychotherapy, program evaluation, training and command briefings, and consultation services.

United States Disciplinary Barracks, FT. Leavenworth
January 2005 – June 2006

Fort Leavenworth, KS. Acting chief of mental health division (GS-13 equivalent) with responsibilities in supervision and management of mental health technicians, administration of psychological assessments, individual and group psychotherapy, program evaluation, training and command briefings, and consultation services.

Tripler Army Medical Center Clinical Psychology Internship Program
June 2003 – July 2004

TAMC, Honolulu HI. APA approved internship in clinical psychology. Training emphasis in neuropsychology, adult assessment and psychotherapy, and military psychology.

VCU/MCV Department of Physical Medicine & Rehabilitation
July 2002 – May 2003

Virginia Commonwealth University/Medical College of Virginia, Richmond, VA. Served as half-time intern on an interdisciplinary rehabilitation team conducting neuropsychological assessments, individual and group psychotherapy, and behavioral consultations for inpatient physical medicine and traumatic brain injury populations.

Department of Veterans Head Injury Project
April 2001-October 2001
July 2002 – May 2003

McGuire VA Medical Center, Richmond VA.
Employed as a psychometrist and research assistant in traumatic brain injury unit.

Parkinson's Disease Research, Education, and Clinical Center
October 2001 – May 2003

McGuire VA Medical Center, Richmond VA.
Employed as a psychometrist and research assistant in a clinical center treating veterans diagnosed with Parkinsonian Disorders.

Unipolar Mood Disorders Institute
August 1999 – May 2002

VCU/MCV, Richmond, VA. Employed as a certified rater in phase three clinical trials of antianxiety and antidepressant medications. Duties included diagnosis and evaluation of new and on-going research participants.

Research Experience

Madigan Army Medical Center
May 2025-Present

Prospective Investigation of Dietary Indices Following Acute Mild Traumatic Brain Injury (Diet mTBI). Study Consultant for TBI Center of Excellence funded Investigation

Munson Army Health Center
May 2009-Present

Fort Leavenworth, KS. Function as part time researcher via DHA initiatives on various projects related primarily to concussion. Served as PI or AI on numerous IRB protocols with dozens of peer reviewed publications and professional presentations with collaborators from other Army MTFs, TBI Center of Excellence, VAMCs, and University-based faculty.

Research Psychologist:
October 2006 – January 2007

McGuire VA Medical Center, Richmond VA
Research methodology and statistical consultant for
Parkinson's Disease Research, Education and Clinical
Center.

Graduate Research Assistant:
April 2001 – May 2003

McGuire VA Medical Center, Richmond VA.
Assisted in literature reviews and the collection and analysis
of data in research studying veterans diagnosed with
Parkinsonian disorders and active duty soldiers who
experienced traumatic brain injury.

**Certified Clinical Rater
Unipolar Mood Disorders
Institute**
September 1999- May 2002

Virginia Commonwealth University, Richmond Virginia.
Responsibilities across Phase III clinical trials included
administration of the Hamilton Rating Scales for
Depression & Anxiety, Montgomery-Asberg Depression
Rating Scale, Hamilton and the SCID for Axis I and II
disorders.

**Undergraduate Research
Assistant**
September 1997 – May 1999

University Wisconsin-Green Bay. Assisted in the literature
review, collection and analysis of data, and presentation
of findings in the content area of adolescent ideology
utilizing a combination of quantitative and qualitative
methodologies.

Armistead-Jehle, P. Military Related Concussion: Current Treatment Practices and Ethical Considerations (April, 2023). Current Concepts in Concussion Management 2023. Kansas University Medical Center, Kansas City, KS.

Armistead-Jehle, P. Military TBI. (September, 2022). Kansas University Medical Center: Neurology and Neurosurgery Grand Rounds. Kansas City, KS.

Armistead-Jehle, P & Grills, C. (November, 2019). Self-efficacy and Performance Validity Testing in Active Duty Service Members. Oral Paper presented at the 39th annual National Academy of Neuropsychology Conference, San Diego, CA.

Armistead-Jehle, P & Grills, C. (November, 2019). Health Locus of Control and Symptom Validity Testing in a Military Context. Oral Paper presented at the 39th annual National Academy of Neuropsychology Conference, San Diego, CA.

Armistead-Jehle, P. (September, 2018). An Update on Neuropsychological Validity Testing. Live CEU Webinar for the National Academy of Neuropsychology.

Schroeder, R.W., Green, P., & Armistead-Jehle, P. (June, 2018). Forensic Grand Rounds: Differentiating Actual and Feigned Dementia. 3 hour CE presented at the 16th Annual American Academy of Clinical Neuropsychology Conference, San Diego, CA.

Armistead-Jehle, P. Shura, R., & Cole W. (October, 2017). Challenges Associated with TBI Research and Clinical Practice in the DoD and VA: Diagnostics, Pathology, and Ethics. 3 hour CE presented at the 37th Annual National Academy of Neuropsychology Conference, Boston MA.

Armistead-Jehle, P. (September, 2016). An Update on Neuropsychological Validity Testing. Live CEU Webinar for the National Academy of Neuropsychology.

Armistead-Jehle, P. Lange, B., & Green, P. (November, 2015). A Comparison of Neuropsychological and Balance Performance Validity Testing. Oral Paper presented at the 35th annual National Academy of Neuropsychology Conference, Austin, TX.

Poster Abstracts/ Presentations (Select)

Arthur, E., Chicota-Carrol, C., Aden, J., Armistead-Jehle, P. (June, 2026). The relationship between the Clinical Assessment of Attention Deficit-Adult Negative Impression Scale and standalone PVTs among ADHD evaluations in a military sample. Presented at the 24th Annual American Academy of Clinical Neuropsychology Conference.

Shura, R.D., Ingram, P.B., Schroeder, R.W., & *Armistead-Jehle, P.* (June, 2026). Trends in MMPI utilization and over-reporting in the VA: 2007-2024. Presented at the 24th Annual American Academy of Clinical Neuropsychology Conference.

Troili-Fletes, A. N., Chicota-Carroll, C. L., Aden, J. K., & *Armistead-Jehle, P. J.* (Nov, 2025). Validation of embedded PCL-5 symptom validity indices in active-duty military population. Presented at the 45th annual National Academy of Neuropsychology Conference.

Armistead-Jehle, P., Keen, M., & Ingram, P.B. (November, 2024). Comparison of Performance Validity, Symptom Validity, Cognitive, and Symptom Self-Report Measures in an Active-Duty Military Sample. Presented at the 44th annual National Academy of Neuropsychology Conference.

Albertorio, A.D., Herring, T.T., *Armistead-Jehle, P.*, & Ingram, P.B. (June, 2024). Application of Item Response Theory Rasch Model to the MMPI-2-RF Response Bias Scale-19. Presented at the 22nd Annual American Academy of Clinical Neuropsychology Conference.

Childers, L.G., Herring, T.T, Ingram, P.B., & *Armistead-Jehle, P.* (June, 2023). Evaluating the RBS-19 with Neuropsychological Symptom Validity Measures in Active-Duty Military. Presented at the 21st Annual American Academy of Clinical Neuropsychology Conference.

Herring, T.T., Childers, L.G., Ingram, P.B., & *Armistead-Jehle, P.* (June, 2023). Response Bias Scale in the Minnesota Multiphasic Personality Inventory (MMPI-3) in an Active-Duty Population. Presented at the 21st Annual American Academy of Clinical Neuropsychology Conference.

Armistead-Jehle, P. & Ingram, P.B. (June, 2022). Comparison of the Memory Complaints Inventory and the PAI Cognitive Bias Scale. Presented at the 20th Annual American Academy of Clinical Neuropsychology Conference.

Keen, M.A., Hirsch, S., Ingram, P.B., & *Armistead-Jehle, P.* (May, 2022). Mapping the Personality Assessment Inventory (PAI) onto the HiTOP Model of Psychopathology: Exploratory Factor Analysis in Active-Duty Military. Presented at the 2022 Association for Psychological Science Conference.

Armistead-Jehle, P., Ingram, P.B., & Morris, N.M. (December, 2021). Personality Assessment Inventory Cognitive Bias Scale of Scales (CB-SoS): Replication and Comparison to the CBS in an Active Duty Military Sample. Presented virtually at the 41st annual National Academy of Neuropsychology Conference.

Grills, C., Cooper, D.B., Yamashita, J.M., & *Armistead-Jehle, P.* (December, 2021). Classification Statistics of the Clinical Assessment of Attention Deficit-Adult Negative Impression Scale for ADHD Evaluations in an Active Duty Sample. Presented virtually at the 41st annual National Academy of Neuropsychology Conference.

Armistead-Jehle, P., Ingram, P.B., & Morris, N.M. (October, 2020) The Relationships between PAI over- reporting SVTs and PVTs in a Military Sample. Presented virtually at the 40th annual National Academy of Neuropsychology Conference.

Shura, R. D., *Armistead-Jehle, P.*, Rowland, J. A., Taber, K. H., & Cooper, D. B. (October, 2020). Associations among Symptom Validity Tests in Combat Veterans. Poster presented at the 40th National Academy of Neuropsychology Annual Conference, Virtual Edition.

Armistead-Jehle, P., Mattson, E., Nelson, N., & Disner, S. (October, 2020). PTSD and Personality Traits Influence the Relationship between Memory Complaints and Memory Performance. Presented virtually at the 40th annual National Academy of Neuropsychology Conference.

Armistead-Jehle, P. & Cooper, D. (June, 2019). Health Locus of Control is not associated with Performance Validity Testing in Active Duty Service Members. Presented at the 17th annual American Academy of Clinical Neuropsychology Conference, Chicago, IL.

Cooper, D.B., *Armistead-Jehle, P.*, Curtiss, G., Belanger, H.B., Eapen, B., Kennedy, J.E., Vanderploeg, R.D., Tate, D.F., & Bowles, A.O. (June, 2019). Health Care Utilization in Military Service Members with a History of mild TBI Following Cognitive Rehabilitation. Presented at the 17th annual American Academy of Clinical Neuropsychology Conference, Chicago, IL.

Golden, B.L., Ingram, P.B., & *Armistead-Jehle, P.* (June, 2019). Evaluating the MMPI-2-RF Over- Reporting Scales in a Military Neuropsychology Clinic. Presented at the 17th annual American Academy of Clinical Neuropsychology Conference, Chicago, IL.

Armistead-Jehle, P., Cooper, D.B., Curtiss, G., Belanger, H.G., Kennedy, J., Bowles, A.O., Tate, D.F., Eapen, B., & Vanderploeg, R.D. (June, 2018). The Relationship between Internal Locus of Control and Postconcussive Symptom Outcomes in Mild TBI in Military Service Members Undergoing Cognitive Rehabilitation. Presented at the 16th annual American Academy of Clinical Neuropsychology Conference, San Diego, CA.

Armistead-Jehle, P., Hungerford, L., Cooper, D., Stegman, R., & Cole, W. (June, 2017). Cognitive Test Scores as a Function of Word Memory Test Performance. Presented at the 15th annual American Academy of Clinical Neuropsychology Conference, Boston, MA.

Armistead-Jehle, P., Cooper, D., Stegman, R., & Cole, W. (June, 2017). Examination of the MMPI-2- RF Validity Scales in Disability Evaluations: Comparison between Orthopedic and Behavioral Health Conditions. Presented at the 15th annual American Academy of Clinical Neuropsychology Conference, Boston, MA.

Hansen, C., *Armistead-Jehle, P.*, & Broglio, S. (June, 2017). Test Retest Reliability of the MSVT via Root Square Difference. Presented at the 15th annual American Academy of Clinical Neuropsychology Conference, Boston, MA.

Armistead-Jehle, P., Cole, W.R., & Stegman, R.L. (March, 2017). Cognitive Test Performance and Evaluation Context in U.S. Military Service Members with a History of Mild TBI. Presented at the 12th World Congress on Brain Injury, New Orleans, LA.

Cole, W.R., *Armistead-Jehle, P.*, & Stegman, R.L. (March, 2017). Performance and Symptom Validity Testing as a function of Medical Board Evaluations in U.S. Military Service Members with a History of Mild TBI. Presented at the 12th World Congress on Brain Injury, New Orleans, LA.

Armistead-Jehle, P., Cooper, D.B., Kennedy, J.E., Bowls, A.O., Curtiss, G., Tate, D.F., & Vanderploeg, R.D. (October, 2016). Concussion Frequency Affects Symptom Reporting but not Objective Test Performance following mild Traumatic Brain Injury in Military Service Members. Presented at the 36th annual National Academy of Neuropsychology Conference, Seattle, WA.

Armistead-Jehle, P., Cooper, D.B., Grills, C., Cole, W., Lippa, S. Stegman, R., & Lange, R.T. (October, 2016). Test Operating Characteristics of the mBIAS and Validity-10 Relative to Performance Validity Tests after Military mTBI. Presented at the 36th annual National Academy of Neuropsychology Conference, Seattle, WA.

Cooper, D.B., *Armistead-Jehle, P.,* Kennedy, J.E., Bowls, A.O., Curtiss, G., Tate, D.F., & Vanderploeg, R.D. (October, 2016). Number of Concussions does not Effect Treatment Response to Cognitive Rehabilitation following mild Traumatic Brain Injury in Military Service Members. Presented at the 36th annual National Academy of Neuropsychology Conference, Seattle, WA.

Armistead-Jehle, P. & Hansen, C.L. (June, 2016). Factor Analysis of the MSVT, NV-MSVT, and RBANS Memory Subtests. Presented at the 14th annual American Academy of Clinical Neuropsychology Conference, Chicago, IL.

Armistead-Jehle, P., Cooper, D.B, Grills, C.E., Cole, W., Lippa, S., et al. (June, 2016). Validation of the mild Brain Injury Atypical Symptoms Scale (mBIAS) and NSI Validity-10 in Military Service Members. Presented at the 14th annual American Academy of Clinical Neuropsychology Conference, Chicago, IL.

Mueller, K.L., Grills, C.E., & *Armistead-Jehle, P.* (November, 2015). An Embedded Validity Measure for the Neuropsychological Assessment Battery: Reliable Digit Span. Presented at the 35th annual National Academy of Neuropsychology Conference, Austin, TX.

Armistead-Jehle, P., Grills, C.E., Bieu, R.K., & Kulas, J.F. (June, 2015). Clinical Utility of the Memory Complaints Inventory to Detect Medical Symptom Validity and Non-Verbal Medical Symptom Validity Performance. Presented at the 13th annual American Academy of Clinical Neuropsychology Conference, San Francisco, CA.

Armistead-Jehle, P., Cooper, D.B., & Vanderploeg, R.D. (June, 2014). The Role of PVT and SVT Performance in Cognitive Assessment in Active Duty Service Members with a History of Concussion. Presented at the 12th annual American Academy of Clinical Neuropsychology Conference, New York, NY.

Armistead-Jehle, P., Lange, R.T., Cooper, D.B., Grills, C., & Cole, W. (June, 2014). Clinical Utility of the mBIAS to Detect Symptom Exaggeration in US Military Personnel Following Mild Traumatic Brain Injury. Presented at the 12th annual American Academy of Clinical Neuropsychology Conference, New York, NY.

Armistead-Jehle, P., Green, P., Gervais, R.O., & Hungerford, L. (June, 2014). Examination of the Word Memory Test as a Measure of Memory in Disability Seeking Samples. Presented at the 12th annual American Academy of Clinical Neuropsychology Conference, New York, NY.

- Grills, C. & *Armistead-Jehle, P.* (February, 2014). Performance Validity Test and Neuropsychological Assessment Battery Screening Module Performance in an Active Duty Sample with a History of Concussion. Presented at the International Neuropsychological Society Conference, Seattle, WA.
- Buican, B. & *Armistead-Jehle, P.* (November, 2012). Evaluation Context and Symptom Validity Test Performance in a U.S. Military Sample. Presented at the National Academy of Neuropsychology Conference, Nashville, TN.
- Wetzel, R., Cifu, D., *Armistead-Jehle, P.*, & Carne, W. (November, 2008). Health Literacy and Parkinson's Disease: A Prospective Analysis. Presented at the American Academy of Physical Medicine and Rehabilitation Conference, San Diego CA.
- Johnston, S. Ecklund, C., & *Armistead-Jehle, P.* (August, 2007). Psychological Impact of Combat and Resilience Factors on Marines and Sailors. Presented at the American Psychological Association Conference, San Francisco CA.
- Jehle, P.J.*, Arellano, A.A., & Munoz, D.F. (2006). Effects of Staff Interpersonal Training on Maximum Custody Institutional Infractions. Presented at the Mental Health in Corrections Consortium 2006, Kansas City, MO.

Awards**Active Duty Military**
2003-2006

US Army Achievement Medal: 2004 & 2006
 US Army Overseas Service Ribbon
 US Army National Defense Service Medal
 US Army Global War on Terrorism Service Medal
 US Army Service Ribbon

Federal GS
2009-Present

20 Year Federal Civilian Service Award (2024)
 15 Year Federal Civilian Service Award (2019)
 10 Year Army Civilian Service Award (2019)

Teaching & Training Experience**Core Faculty**

November 2024 – Present

Brook Army Medical Center. San Antonio TX
 Neuropsychology Fellowship Training Program

Staff Psychologist

2007 – May 2009

Pacific Island Health Care System. Honolulu, HI. Staff psychologist at APA approved VA internship site with responsibilities in individual and group supervision of predoctoral interns on rotations focusing on neuropsychological and psychological assessment.

Staff Psychologist

September 2004-September 2006

United States Disciplinary Barracks, Ft. Leavenworth, KS
 Primary instructor for training and briefing sessions in a maximum custody confinement setting on a variety of topics to include suicide prevention, de-escalation techniques, escaped inmate profiling, and selection and assessment of prison staff to an audience ranging from enlisted soldiers to division and brigade command staff.

Course Instructor:

June 2002-July 2002

Virginia Commonwealth University
Psychology of the Abnormal: Responsible for all instructor-related duties in this 400 level undergraduate course dealing primarily with psychopathology.

Laboratory Instructor:
June 2000- July 2000

Virginia Commonwealth University
Psychological Statistics: Responsible for lecturing, constructing and grading assignments, tutoring, and teaching the SPSS package for undergraduate course.

Teaching Assistant:
January 2000 – May 2000

Virginia Commonwealth University
Physiological Psychology: Responsible for teaching the undergraduate honors lab of this 300 level course. Duties included leading small group instruction in neuroanatomy and grading student evaluations

Teaching Assistant:
January 2000- May 2000

Virginia Commonwealth University
Lifespan Development: Responsible for assisting students and tending to course examinations in this 300 level undergraduate course of human development

Teaching Assistant:
September 1998- December 1998

University Wisconsin-Green Bay
Introduction to Psychology: Responsible for directing study groups, lecturing, tutoring, and grading examinations

Military Forensic Cases

U.S. vs. McCay (2026). Government Witness
U.S. vs. Colbert (2024). Defense Consultant
U.S. vs. Laughrey (2016). Government Consultant
U.S. vs. Camacho (2014). Government Witness
