Clinical Neuropsychology Experience:

2016 - current	<i>Clinical Neuropsychologist</i> Location: Associates in Mental Health & Neuropsychology (Niskayuna, NY) Private practice setting with adult patients with memory concerns and other neurological conditions. Provide cognitive rehabilitation.
2016-2018	<i>Clinical Neuropsychologist</i> Location: Martin Neuropsychology Independent Practice (Saratoga Springs, NY) Private practice setting with pediatric patients with learning difficulties and attention deficit hyperactivity disorder.
2014 - 2016	<i>Neuropsychology Postdoctoral Fellow</i> Location: Michael E DeBakey VA Medical Center, Houston TX

Supervisors: Nicholas Pastorek, Ph.D., ABPP-CN, Rob Collins, Ph.D., ABPP-CN, Nicholas Wisdom, Ph.D., ABPP-CN, Jane Booth, Ph.D., ABPP-CN, Brian Miller, Ph.D, and Michele York, Ph.D., ABPP-CN

Populations served during this fellowship training included Veterans from the inpatient units, both polytrauma rehabilitation (primarily neurological insult and orthopedic surgery) and epilepsy monitoring unit, as well as outpatient referrals from polytrauma rehabilitation, neurology, mental health care lines, and the Parkinson's Disease Research, Education, and Clinical Center (PADRECC). In addition to providing comprehensive neuropsychological assessments for patients with memory and other cognitive concerns, duties also included providing capacity, epilepsy surgery, and WADA evaluations. These rotations also included providing psychotherapy to those with psychogenic non-epileptic seizures, sleep hygiene, and cognitive behavioral therapy for depression. The fellowship also allowed to research in the areas of head trauma and dementia. Another aspect of the fellowship was supervised supervision of interns and externs.

2013 - 2014 *Neuropsychology Pre-doctoral Intern*

Location: Emory University School of Medicine, Atlanta GA

Supervisors: Anthony Stringer, Ph.D., ABPP-CN, CPCRT, Felicia Goldstein, Ph.D., ABPP-CN, Emily Papazoglou, Ph.D. and David Marcus, Ph.D., ABPP-CN

This pre-doctoral internship involved training across the lifespan. Duties included providing comprehensive neuropsychological evaluations with a variety of patients including adults with brain injury and other neurological conditions, geriatric patients with memory concerns and dementias, and pediatric patients with cognitive concerns related to neurological conditions.

2012 - 2013 *Neuropsychology Extern*

Location: Mentis Neuro Rehabilitation Center, Houston TX

Supervisor: Tracy Veramonti, Ph.D.

During this pre-doctoral externship, the primary population served was individuals with acquired brain injuries secondary to head trauma, cerebral vascular accident, anoxia, brain tumor, epilepsy, and/or other etiologies receiving treatment in a residential and intensive outpatient setting. Duties involved conducting neuropsychological assessments as well as providing group therapy including brain injury education, coping and adjusting skills, and relaxation skills.

2011 - 2012 *Neuropsychology Extern*

Location: Department of Pediatrics, Center for Clinical Neurosciences University of Texas Health Science Center, Houston, TX

Supervisor: Joshua Breier, Ph.D.

During this pre-doctoral externship, primary duties involved conducting neuropsychological assessments with children with epilepsy, developmental and acquired disorders as well as adults with epilepsy, stroke, dementia, Parkinson's disease, and neurological/psychological disorders. Patients on the inpatient unit for seizure monitoring were evaluated.

2011

Neuropsychology Extern

Location: Blue Bird Circle Clinic for Pediatric Neurology - Texas Children's Hospital, Houston, TX

Supervisors: M. Lynn Chapieski, Ph.D. and Karen Evankovich, Ph.D.

This pre-doctoral externship included the neuropsychological evaluation of children with developmental disorders such as learning disabilities and Attention-Deficit Hyperactivity Disorder, children with epilepsy, multiple sclerosis and other white matter diseases, muscular dystrophy, and psychological disorders such as anxiety and depression.

2010-2011

Neuropsychology Extern

Location: University of Houston Texas Medical Center Annex, Houston, TX

Supervisor: Jack Fletcher, Ph.D.

This pre-doctoral externship involved the neuropsychological assessment of children with developmental disorders (learning disabilities and Attention-Deficit Hyperactivity Disorder), psychological disorders such as Bipolar, anxiety, and depression, cerebral palsy, and traumatic brain injury.

Clinical Psychology Experience:

2014 - 2016 *Postdoctoral Fellow*

Location: Michael E DeBakey VA Medical Center, Houston TX

Supervisors: Nicholas Pastorek, Ph.D., ABPP-CN and Herb Ames, Ph.D.

During the neuropsychological fellowship, I also worked with patients seen on the Spinal Cord Unit, inpatient and outpatient, with a history of SCI and psychological distress. Patients were also seen through the polytrauma inpatient and outpatient units for adjustments to injury, depression, and sleep hygiene.

2013 - 2014 *Pre-doctoral Intern*

Location: Rehabilitation Day Program, Center for Rehabilitative Medicine

Supervisors: Anthony Y. Stringer, Ph.D., ABPP-CN, CPCRT, Kindell Schoffner, Psy.D., and Gene Farber, Ph.D.

During this pre-doctoral internship lifespan training, I working with children in an inpatient setting who have acquired brain injuries, epilepsy, and other neurological problems, adults with acquired brain injuries receiving outpatient treatment in a day program, and with patients with HIV/AIDS, history of/current substance abuse, and history of current

homelessness who are struggling with mental illness providing psychotherapy.

2012 – 2013 *Clinical Psychology Extern*

Location: Houston OCD Program, Houston TX
